Friday 12th September 2025

Dear Parents/Carers,

Launch of ClassDojo at Garton on the Wolds

We are pleased to let you know that from this term, we will be moving from Seesaw to ClassDojo as our school's online learning and communication platform. ClassDojo will allow us to continue strengthening the link between home and school by providing a simple, secure and engaging way to share learning and celebrate achievements.

Key features of ClassDojo include:

- **Class Story** – teachers can share updates, photos and information from the classroom to keep you informed. This is only visible to parents/carers in your child's class.
- **Whole-School Story** – photos/videos from whole-school events can be shared to the whole-school story. This is only visible to parents/carers within our school.
- **ClassDojo Points** – children can earn points, which you can also view at home.
- **Messaging** – parents/carers can send and receive messages directly with their child's teacher, supporting quick and effective communication.

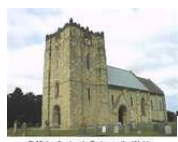

Privacy and GDPR

ClassDojo is fully compliant with UK GDPR and data protection requirements. All pupil data is stored securely, and only parents/carers with verified consent will be able to access their child's account. Further details of ClassDojo's privacy policy can be found at: <https://www.classdojo.com/privacy>

Optional paid features

ClassDojo does offer additional features that parents may choose to purchase. Please note that there is **no requirement** to do this - the free version includes everything we need to use ClassDojo effectively as a school.

Garton on the Wolds Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment

Next steps

If you are happy for your child to be part of ClassDojo, please complete the consent form below and return it to school by **Monday 15th September**. Parents/carers who consent will receive an email invitation with instructions on how to set up their parent account - this will involve downloading the ClassDojo app. Following this, your child will receive a code to access their profile at home.

Thank you for your continued support as we launch this new platform. We are confident that ClassDojo will further strengthen communication and provide exciting opportunities to share and celebrate children's learning.

Many thanks,

J Baxter

Mr J Baxter
Executive Headteacher

Consent for ClassDojo
