Tuesday 4<sup>th</sup> March 2026

Dear Parent/Carers,

We are writing to inform you that we have received communication from the Church to advise that building works to install under-pew heating will be taking place from next week. Unfortunately, this means the Church will be unavailable for our annual Mother's Day service.

Due to limited space within the school building for whole-school events - as you will be aware, we do not have the largest hall - we are therefore unable to relocate the service to school. Regrettably, this means we have had to make the difficult decision to cancel this year's Mother's Day service.

We apologise for any disappointment this may cause.

The children have been practising songs in preparation for the service and we are pleased to let you know that these will be filmed and shared on Class Dojo for parents and carers to enjoy at home. The songs will be uploaded on Friday 13<sup>th</sup> March.

Once again, we apologise for having to cancel the service and thank you for your understanding and continued support.

Yours sincerely

Mr J Baxter  
Executive Headteacher
