Dear Parent/Carers,

It is with great sadness that I am writing to inform you that our former Chair of Governors, Mrs Judy Adamson, sadly passed away suddenly earlier this week.

Judy had been a valued part of the Garton on the Wolds CE Primary School community for many years and made a significant contribution to the life of our school. During her time as Chair of Governors, she gave a great deal of her time, commitment and support to the school, its staff, pupils and families.

Even after stepping down from her role as Chair, Judy remained a familiar and welcome face in school. She continued to visit us regularly and particularly enjoyed spending time with our Year 3 and 4 children, listening to them read and taking a genuine interest in their learning and progress. The children always enjoyed having the opportunity to read with her and her continued involvement demonstrated just how much Garton and its pupils meant to her.

Judy's contribution to our school extended over many years and we are extremely grateful for everything she did for Garton. She will be remembered with great affection by staff, governors and members of our wider school community who had the pleasure of knowing and working alongside her.

We know that a number of our families, both past and present, will also have known Judy through her long association with the school and the wider village community.

Our thoughts and deepest sympathies are with Judy's family and friends at this incredibly sad and difficult time.

As a school community, we will take some time to remember Judy and the important contribution she made to Garton over so many years.

Yours sincerely,

Mr J Baxter
Executive Headteacher
