'sharing, caring, forgiving and being kind'

Headteacher: Mrs. D. Chadwick

Dear Parents and Carers

School/Community Hall

I am writing to give you an update regarding the progress towards our School Hall.

Last year we undertook a great deal of fundraising to work towards building our own school hall which would also be used by the community. This is an exciting opportunity for all of our school and the local community. The facility will further advance sporting opportunities, give an exciting performance facility for our children, enhancing their dining room experience and a comfortable space to hold Collective Worship and assemblies.

The building will also be opened up to the community when the school is not using it for other clubs and meetings such as; health and exercise activities, entertainment events, wedding receptions, Guide and Scout activities, Mother & Toddler groups and other such community usage.

Unfortunately the planning permission was turned down, however, we are going to appeal the decision made by the Local Authority. We would like to request your support and are asking you to write a letter to outline why the school hall would give a positive development to our school and the local village.

The school hall committee feel that we have a very strong chance to overturn the decision with the appeal and your support is gratefully needed.

Your letter only needs to be short, perhaps two paragraphs, stating how the building would enhance our education provision further and gain an excellent facility for the village. If you drop the letters off at school we will send them to the correct department.

On behalf of our children and staff we thank you in advance for your support in this matter.

Garton on the Wolds Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment
