Friday 18th February 2022

Dear Parent/Carer,

I would like to thank all parents/carers for your ongoing support this half term.

As you will be aware, the first half of the Spring Term saw a rise in Covid-19 cases within our school, which led to the implementation of our Outbreak Management Plan. Thankfully, we have seen a continued decline in the number of cases in the school over the last week and for this reason we will be returning to our normal school routines following the half-term holiday, which will mean that children can once again mix during the school day. I would also like to take this opportunity to thank all staff within school, who have worked extremely hard this term to ensure the school remained open for pupils during the Covid-19 outbreak.

We are expecting the Prime Minister to reveal next week his plan for 'living with Covid-19'. We currently do not know what this looks like for schools, however we will share information with you as and when it becomes available to us.

School closes today for the half-term holiday and will reopen for all children on **Monday 28th February.**

Thank you again for your continued support. I hope all families have a restful half-term.

Take care,

Mr J Baxter
Executive Headteacher
