Headteacher: Mr. J. Baxter

Friday 1st April 2022

Dear Parent/Carers,

I hope you are all well.

The Government have now announced the next steps in their 'Living with Covid' plan. The plan states that the population now has much stronger protection against COVID-19 than at any other point in the pandemic. Due to this, from the 1st the Government have made further changes to self-isolation guidance and these are highlighted below:

- **adults with the symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature**
- **children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend**
- **adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. For children and young people aged 18 and under, the advice will be 3 days**

If your child does have to isolate due to a possible case of Covid-19, then we ask that you please keep the School Office informed.

Many thanks to all parents/carers for your continued support.

Take care,

Mr J Baxter
Executive Headteacher

Garton on the Wolds Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment

Healthy School
