Dear Parents and Carers,

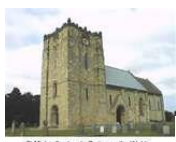

As you are aware, our topic this term is 'Toys'. On Thursday 29th June, an experienced children's historian is coming into class to teach the children specifically about outdoor games from the past. They will be bringing an array of artefacts with them, so that the children can have hands on experience of the games. I am sure that this will further deepen and enhance the children's understanding of the past.

The school will contribute to the majority of the costs of this visit, but we are having to request a voluntary contribution of £5 per child, which will be a great help in supporting the funding of this learning enrichment. The contribution can be paid through the Parent Pay app.

Many thanks for your continued support.
