

Understanding of the World – Geography/RE – End of Year Expectations		
FS1 Lower	FS1 Upper	FS2
I can explore and respond to different natural phenomena in their setting and on trips. I can make connections between the features of their family and other families I can talk about where they Live Flat, house, garden etc I can talk about and celebrate the festivals/celebrations they have with their family	I can use all my senses in hands-on exploration of natural materials. I can begin to understand the need to respect and care for the natural environment and all living things. I can show interest in different occupations. I can talk about parents/carers' occupations. I can continue developing positive attitudes about the differences between people – in UK we celebrate/remember. I can begin to know that there are different countries in the world and talk about the differences they have experienced or seen in photos. I can talk about where they live and surrounding area their home, shops, other features	I can explore the natural world around them. I can understand that some places are special to members of their community I can talk about the trip to the local church. I can use aerial photographs for locations I can draw information from a simple map. I can talk about members of their immediate family and community. I can talk about their family and have an understanding that there are many different families. I can recognise that people have different beliefs and celebrate special times in different ways. I can recognise some environments that are different from the one in which they live. I can explore different geographical stories from around the World I can recognise some similarities and differences between life in this country and life in other countries e.g. comparing different religious celebrations
